Bremond High School

Foreword

Few events of a life time engender as great joy and the justifiable feeling of accomplishment as that of preparing a high school annual.

Motivated by the desire to share our achievement with relatives and friends we give you ''El Tigre'' of 1948.

As a treasured keepsake to commemorate our school days we send ''El Tigre'' out on the ocean of Time to bring waves of pleasure to the past, present, and future, students of Bremond High School.

---THE STAFF---

Dedication

We dedicate "El Tigre" of 1948 to our Superintendent, Mr. J. W. Baker.

It is largely to him that we owe the success and progress of Bremond High School for the past eight years. He has proved to be a capable leader as well as the student's friend and counsellor. We appreciate Mr. Baker.

MR. J. W. BAKER

Life and living with people is complex; it is your duty to find your place and prepare yourself. I am reminded of a story I once heard of the "average man" as his neighbors see him.

If he is poor, he is a bad manager. If he is prosperous, everyone wants to do him a favor.
If he is in politics or public life, it is for pork.
If he is not in politics, one can't place him, and he is no good for his country.
If he gives not to charity, then he's a stingy dog.
If he does give, it's for show.
If he is active in religion, he is a hypocrite.
If he evinces no interest in matters spiritual, he's a sinner.
If he shows affection, he's a soft sentimentalist.
If he seems to care for no one, he's cold-blooded.
If he dies young, there was a great future ahead of him.
If he attains old age, he has missed his calling.

Seniors of 1948 do the best you can with the equipment you have.

Sincerely your friend,

J. W. Baker, Superintendent
